Indulge Your Senses

Perfume and Spa Line

Perfumes - Express yourself through scent

Our perfumes combine precious jasmin and rose oils with nurturing resins, essential oils of exotic spices, fresh herbs and sweet flowers in pure jojoba carrier. For people who are allergic or sensitive to synthetic chemicals used in commercial perfumes, we offer a 100% pure and all-natural alternative.

A custom blend can also be created for someone who desires a unique scent.

Exotic Mystique – Filled with Alluring Promises

Enchantress – Weaving Her Spells

Tempress – Passion Unveiled

Isis – Goddess of Mystery and Magic

To offer the complete fragrance experience, we offer each scent also as bath & body oil and a spray mister.

Skin Care – beauty is healthy skin

Fountain of Youth is a rich moisturizing and nourishing facial oil and mister, that combines rich myrrh, precious rose, cell-regenerating palmarosa, rejuvenating Frankincense and other select essential oils with vitamin E in jojoba and avocado oil carrier. Fountain of Youth keeps your skin looking young, healthy and vibrant.

Spa Massage and Treatment Oils – for the ultimate experience

Detoxifying Blend is a massage oil combining Bergamot, German Chamomile, Cypress, Eucalyptus, Juniper, Lavender, Rosemary plus others in a healing and detoxifying blend. This blend can help to stimulate blood circulation and detoxify; acts as a natural anti-inflammatory as well as relieve cellulite. Best results are achieved when used with regular exercise and an appropriate diet.

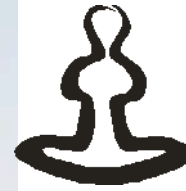

Fountain of Youth Body and massage oil is based on the rich moisturizing and nourishing formulation that you got to love in our face oil. It combines rich myrrh, precious rose, cell-regenerating palmarosa, rejuvenating Frankincense and other select essential oils with vitamin E in rich Avocado, emollient Jojoba and regenerative Grapeseed carrier oils. Fountain of Youth keeps your skin looking young, healthy and vibrant.

Rejuvenation is a massage or bath oil to rejuvenate both body and mind. It combines Lavender, Frankincense, Orange, Cedar and others which regenerate and tone the skin as well as lift your mind and emotions. Rich Avocado, emollient Jojoba and regenerative Grapeseed carrier oils complete this treatment for the perfectly rejuvenating spa experience.

Slimming Blend is a massage oil combining Cypress, Juniper, Fennel, Grapefruit, Lemon, Rosemary plus other essential oils which increase circulation, energize and relieve exhaustion, improve body tissue tone and combat water retention by stimulating the lymphatic system. This is an ideal oil for a full body or lymphatic drainage massage. It comes in Avocado, Jojoba and Grapeseed carrier oil.

Milk of Cleopatra is a nurturing and nourishing body lotion which has been formulated according to ancient Egyptian practices to nourish and nurture your skin to keep it supple, healthy and deliciously soft.
